ENVIRONMENTAL COMPLIANCE CERTIFICATE
 (Issued under Presidential Decree No. 1586)
ECC Ref. Code: 0904-008-4520

THIS IS TO CERTIFY THAT THE PROPONENT, **NATIONAL IRRIGATION ADMINISTRATION (NIA)**, as represented by its Administrator, **Mr. Carlos S. Salazar** and its Regional Manager-NIA Region V, **Mr. William P. Ragodon** is granted this Environmental Compliance Certificate (ECC) for the **LIBMANAN-CABUSAO DAM PROJECT** located at **Bgy. Malaguico, Municipality of Sipocot, Province of Camarines Sur** by the Department of Environment and Natural Resources (DENR) through the Environmental Management Bureau (EMB).

SUBJECT to the conditions and restrictions set out herein labeled as Annex A and Annex B.

This Certificate is issued for the **LIBMANAN-CABUSAO DAM PROJECT**, with the following details.

PROJECT DESCRIPTION

The proposed dam project is to be located in Bgy. Malaguico, Sipocot, Camarines Sur with coordinates at Latitude 13deg 47min 00sec and Longitude 122deg 56min 28sec and with the following components:

1. Construction of a concrete diversion dam and its appurtenances in lieu of the existing pumps;
2. Construction of 10.28 km diversion canal and its appurtenances from the dam to drop at the inlet of the existing pump station;
3. Construction of new and the rehabilitation of existing irrigation and drainage facilities to serve four thousand (4,000) hectares; and
4. Construction of 10.75 km service road and 1.95 km of access road.

This Certificate is issued in compliance to the requirements of Presidential Decree No. 1586, in accordance with DENR Administrative Order (D.A.O.) No. 2003-30. Non-compliance with any of the provisions of this Certificate shall be a sufficient cause for the cancellation of this Certificate and/or imposition of a fine in an amount not to exceed Fifty Thousand Peso (PhP 50,000.00) for every violation thereof. The EMB, however, is not precluded from reevaluating, adding, removing, and correcting any deficiencies or errors that may be found after issuance of this Certificate.

Issued at DENR, Quezon City, Philippines, this APR 20 2009.

I CONDITIONS

ENVIRONMENTAL MANAGEMENT

All commitments, mitigating measures and monitoring requirements, especially those contained in the EIS, particularly in the Environmental Management Plans (EMPs), including all their modifications and additional information as approved by the EMB, shall be instituted to minimize any adverse impact of the project to the environment throughout its implementation, including the following:

1. Implementation of a Watershed Ecosystem Management Plan/ Program;
2. Undertake an effective and continuing Information, Education and Communication (IEC) Program to inform and educate all stakeholders, especially its local residents, on the project's mitigating measures embodied in its EIS and the conditions stipulated in this Certificate; A public hearing/consultation shall be conducted to disseminate to the affected communities and ensure the implementation of EMP as contained in the EIS document;
3. Implementation of a Social Development and Management Program (SDMP) and Indigenous People Development Program (IPDP), in which the Plans/ Programs shall be submitted to EMB within thirty (30) days from receipt of this Certificate;
4. Follow an appropriate dependable flow to be released at all times for the environmental requirement and protection of flora and fauna downstream at the point of diversion;
5. That proper drainage canal, concrete culverts, and other flood and erosion control/surface stabilization measures needs to be provided to adequately receive and channel the silt-laden runoff to the nearby receiving body of water;
6. IMPLEMENTATION OF OTHER ENVIRONMENTAL/SOCIAL DEVELOPMENT MEASURES AS COMMITTED DURING THE PUBLIC CONSULTATION.

GENERAL CONDITIONS

7. The project operations shall conform with the provisions of R.A. No. 6969 (Toxic Substances and Hazardous and Nuclear Wastes Control Act of 1990), R.A. No. 9003 (Ecological Solid Waste Management Program Act of 2000), and R.A. No. 9275 (Philippine Clean Water Act of 2004);
8. The proponent shall set up the following:
 - 7.1. A readily available and replenishable Environmental Guarantee Fund (EGF) to cover the following: a) Expenses for further environmental assessments b) compensation, indemnification for whatever damages to life and property that may be caused by the project c) rehabilitation and/or restoration of areas affected by the project's implementation;
 - 7.2. A Multi-partite Monitoring Team (MMT) composed of representative(s) from the proponent, EMB, a local environmental Non-Government Organization (NGO)/people's organization, a Barangay representative in the primary impact area, the LGUs where the project is situated, and other concerned government agencies shall be organized. The MMT should primarily oversee the compliance of the proponent with the Environmental Management and Monitoring Plan (EMMP), other commitments and mitigation measures that are contained in the Project EIS documents and the ECC conditions; and
